

Ship and Sail under the Stars and Stripes

More than fifty freight and passenger services under the Stars and Stripes are ready for your use

In the harbors of strange lands where the Stars and Stripes had become but a memory, they are now found once more on regular schedule time. The grandsons of a generation dead and gone have seen the return of the flag to all the seven seas.

Help to keep the Stars and Stripes in its rightful place, all over the world, by sailing and shipping on American owned and operated ships.

"We cannot sell successfully," said President Harding, "where we do not carry." American ships are now available. Be sure to use them whenever possible.

It is the results they show on the diamond that makes the standing of a ball club, not the fine uniforms they wear. An advertising medium must be judged by the results it brings, not by its fine typographical excellence.

Ripton Moves to Dunmore for Picnic

As many of the population of Ripton as could free themselves of family and business worries for a day went to Lake Dunmore Monday to share in the community picnic under the auspices of the Methodist Episcopal Sunday School. Notice had been given that everybody would be welcome and that the transportation would be provided by the car owners. When it came time for the starting signal however, it was found that the demand exceeded the supply. But the management was equal to the emergency. A double team with a large hay rack was hitched to the cavalcade of automobiles and most of the town migrated to the lakeside. A varied program of contests in swimming, running and similar sports supplemented the good meal. The Boy Scouts were defeated in the feature event of the day, the baseball game, by the town team. Both sides had recruited considerable alien strength to bolster their hopes, so that the boys were not disheartened by their loss, 5-12.

WHEN EVERY MOVE HURTS

Lame every morning, achy and stiff all day, worse when it's damp or chilly? Suspect your kidneys and try the remedy your neighbors use. Ask your neighbor.

Mrs. E. C. Ryder, 91 Seymour St., Middlebury, says: "From overworking at my household duties and around a dairy, I suffered with a severe backache which was very dull and annoying and would be worse at times when I would bend over, when it would change to sharp, shooting pains. Through Doan's Directory I learned of Doan's Kidney Pills and started their use. I used about six boxes of them and was helped so much that I have had no return of any symptom. It is about eight years since I had that attack and since my cure I have had a good word for Doan's. I generally buy this reliable medicine at Sheldon's Drug Store."

The above statement was given September 18, 1916 and on April 15, 1920 Mrs. Ryder added: "I still think Doan's are good. I haven't used them since I was cured several years ago. My statement which I made at that time still holds good. Time cannot change my high opinion of Doan's."
